Encl: (1) Format for Constructing Customer Identification Codes
Involving Individual and/or Dependent Travel Under
Appropriation Military Personnel, Marine Corps
(Permanent Change of Station (PCS)) for Fiscal Year
1986 and Subsequent Fiscal Years
(2) Format for Constructing Customer Identification Codes
Involving Group Travel and Travel Team Integrity Travel
Under Appropriation Military Personnel, Marine Corps
(PCS) for Fiscal Year 1986 and Subsequent Fiscal Years
(3) Format for Constructing Customer Identification Codes
Involving Station-Funded and Reserve Travel, Temporary
Additional Duty (TAD), and Annual Training Duty (ATD)
Under Fiscal Year 1986 and Subsequent Fiscal Year
(4) List of Appropriations and Passenger Accounting Codes

1. Purpose. To provide instructions concerning the construction
and use of customer identification codes (CIC's) for application to
Marine Corps-funded passenger travel via Military Airlift Command
(MAC) service.

2. Cancellation. MCO 4631.9F.

3. Summary of Revision. This revision contains a substantial
number of changes and should be completely reviewed.

4. Information

a. The CIC is designed to provide Marine Corps identification
to MAC for billing purposes. The CIC is also used in automated
programs established by the Commanding General (CG) (Code 473),
Marine Corps Logistics Base (MCLB), Albany, Georgia, in connection
with the payment of bills for Marine Corps-funded passenger travel
via MAC. The CIC is not intended to replace the normal appropria-
tion data, but to supplement such data.

b. The CIC must be cited in all travel orders/authorizations
containing appropriation data chargeable to Marine Corps funds which
involve the contemplated use of MAC service. The CIC must also be
cited on all MAC Transportation Authorizations (MTA's) (DD Forms
1482-1 and 1482-4) issued for Marine Corps-funded passenger travel
via MAC, as prescribed by reference (a).

c. The CIC will be constructed as follows:

(1) Appropriation Military Personnel, Marine Corps (MPMC),
Individual and/or Dependents Travel. This includes travel of
Marines and/or dependents incident to PCS orders and travel on a
cost charge/checkage basis. It should be noted that two CIC's are
required for one set of PCS orders (accompanied tour), one for the
Marine and one for the dependents. The CIC will be constructed in
accordance with instructions contained in enclosure (1).

* (2) Appropriation MPMC, Group Travel and Travel Teams (Travel Team Integrity). This includes travel of Marines incident to PCS involving group travel orders as well as Marines traveling under individual PCS orders when mission needs dictate that two or more Marines travel together as a team (travel team integrity) on the same flight. To alleviate administrative problems associated with issuing separate MTA's for large groups of passengers traveling under individual PCS orders, transportation officers at Marine Corps Base (MCB), Camp Smedley D. Butler, Okinawa, Japan, Marine Corps Air Station (MCAS), Iwakuni, Japan, and Marine Corps Base, Camp Lejeune, North Carolina, may use a group CIC and issue one MTA for any group of PCS passengers traveling on the same flight when PCS orders contain the same appropriation data (all elements of appropriation data must be identical). The Marine Corps Movement Coordination Center (MCMCC), Camp Pendleton, California, may also use a group CIC and issue one group MTA for entry level Marines moving under troop block procedures. For all other commands, separate MTA's must be issued for personnel traveling under individual travel orders, except for cases involving travel team integrity and family movements. Group CIC's are applicable only to members who are not traveling with dependents. Do not include officers and enlisted personnel on the same group MTA. Group CIC and group MTA procedures are not applicable to Marines who are authorized delay en route (temporary duty/leave). Copies of individual or group PCS orders shall be attached to the memorandum copies of group MTA's and forwarded to the CC (Code 473), MCLB, Albany, GA 31704-5000. Group CIC's will be constructed in accordance with the instructions contained in enclosure (2).

(3) Appropriations Reserve Personnel, Marine Corps (RPMC); Operation and Maintenance, Marine Corps Reserve (O&MMCR); Operation and Maintenance, Marine Corps (O&MMC); and Research, Development, Testing, and Evaluation (RDT&E) (Subheads beginning With Number 27). CIC's will be constructed in accordance with the instructions contained in enclosure (3), using the appropriate passenger accounting codes (PAC's) as contained in enclosure (4).

d. These instructions do not apply to travel and transportation chargeable to Navy-sponsored funds (e.g., Military Assistance, Executive (MAE); Military Personnel, Navy (NPN) Operations and Maintenance, Navy (O&MN) and Research, Development, Testing, and Evaluation (RDT&E) (subheads beginning with numbers other than 27)). Instructions concerning construction of CIC's for travel of Marine Corps military are civilian personnel under Navy-sponsored TAD funds are contained in reference (b).

e. Payment procedures for MAC passenger bills within the Marine Corps are as follows:

(1) Responsibility for certifying bills for payment is vested in the CG (Code 473), MCLB, Albany, GA 31704-5000.

(2) The Disbursing Officer, MCLB, Albany, is responsible for payment of the bills and for furnishing appropriate liquidation documents to each operating budget fund sponsor and allotment holder.

5. Action. Activity commanders shall ensure that:

a. The contents of this Order are disseminated to all personnel within their respective commands whose duties involve the issuance of travel orders, budgeting and accounting for travel funds, and issuing passenger transportation procurement documents.

b. Normally, the CIC should be cited in travel orders immediately following the appropriation data. Except in cases of emergencies and instances where orders were not issued locally, transportation officers in receipt of TAD orders (involving travel by MAC), which do not contain a CIC shall return the orders to the issuing office for correction. Where CIC's are not cited in PCS orders, the transportation officer shall construct CIC's in accordance with enclosure (1) or (2), as applicable, and include the CIC's in transportation endorsements. The order writing activity(s) should be notified of these discrepancies. When the travel orders were issued by an activity other than the command funding the travel, the funding activity shall be responsible for furnishing the applicable CIC to the order-writing activity for inclusion in the travel orders.

Ch 1 (26 Aug 1987)

c. The CIC's, as contained in the travel orders, are cited on the MTA's and copy of the MTA, memorandum copy of Additional Passenger Addendum (Form DD 14825) MTA's are issued in accordance with this Order and reference (a). The memorandum for groups of seven or fewer passengers traveling together under the same group/special orders and a copy of the travel orders shall be forwarded to the CG (Code 470), MCLB, Albany, GA 31704-5000, within 7 working days of issuance.

6. Problem Areas. Problems encountered constructing CIC's may be referred to the Commandant of the Marine Corps (CMC) (LFT-2), AUTOVON 224-1781/1782, Commercial 202-694-1781/1782 or the CG (Code 470), MCLB, Albany, AUTOVON 460-5676, Commercial 912-439-5676.

7. Recommendations. Recommended changes to this Order should be submitted to the CMC (LFT-2).

8. Reserve Applicability. This Order is applicable to the Marine Corps Reserve.
